

Open English Club

Hello!

Do you like to speak English? Do you want to meet new friends of different nationalities? Join us!

Our aim is to create an informal group of people interested in conversation in English, meet new people, talk about different topics and do something interesting together.

The level of English is not important, important is to enjoy speaking in this language.

For further information, please contact Jiří Tóth ([jtbno\(at\)centrum.cz](mailto:jtbno(at)centrum.cz)).

We are looking forward to seeing you there.
